

# Technical datasheet

## Cutting boards Type STAR 70

colour	-	<b>redbrown</b>
Specific weight	-	<b>920 kg / m<sup>3</sup></b>
Shore hardness D	acc. ISO 868	<b>ca. 69</b>
Impact strength Charpy notched at +23°C	nach EN ISO 179	<b>18 kJ/m<sup>2</sup></b>
Impact strength Charpy notched at - 20°C	acc. EN ISO 179	<b>2 kJ/m<sup>2</sup></b>
Water absorption	-	no

These datas are taken from current production and we do not guarantee these values. If you need guaranteed datas please come back to us.

### III High Quality cutting boards

from thermoplastic material  
for trouble-free cutting  
of soft materials
